# Strategies

# Introducing Tech to Students

1. Be the expert
2. First experience **must** be successful
3. Gradually incorporate use. Find the “sweet spot”

# 3 Day Strategy

## Day/Step 1:

- *Sign-up* or *sign-in* together as a group.
- Introduce and show-off the tool.

## Day/Step 2:

- Practice signing-in. Do an assignment WALK-THROUGH.
- Complete a PRACTICE assignment.
- Enable **SUCCESS!** 🙌

## Day/Step 3:

- Share & complete an actual assignment.
- Make it manageable.
- Consider an assignment  checklist.

# **BE INTENTIONAL** with your use of tools & tech

It should support and reinforce what you are teaching your students.
